## X. Attestation by Adult Care Facility for Initial Evaluations

I, the undersigned, attest that I have reviewed the information in Sections I through IX completed by the practitioner whose signature appears in Section IX above. If conducted for the purpose of an initial evaluation, I attest that the date of the face-to-face examination conducted by the practitioner whose signature appears in Section IX above occurred no more than 30 days prior to the resident's admission, which occurred on \_\_\_\_/\_\_\_\_/\_\_\_\_ (enter date on which resident was admitted).

If the examination was conducted for the purpose of an initial evaluation, I attest to my understanding that the practitioner has determined that (check one as applicable):

The individual is a person with serious mental illness because the practitioner determined that the individual has both a diagnosis or diagnoses of mental illness and a substantial functional disability as a result of mental illness.

The individual is not a person with serious mental illness because the practitioner did not determine that the individual has both a diagnosis or diagnoses of mental illness and a substantial functional disability as a result of mental illness.
